Club Guidelines

Tennis Attire

All members and guests are expected to wear appropriate tennis attire that covers both their chest and midriff area. It is imperative that members wear proper tennis sneakers with soles that do not cause unusual marring of the court surface. We will politely inform members and guests if any clothing or equipment does not conform to club standards.

Spring / Fall Upgrades

We are happy to offer upgrade privileges to all Weekday and Off-Peak members during the spring and fall portions of the season. For \$30 per day, Weekday and Off-Peak Members are welcome to play on weekend mornings, pre-season and post-season, when there is no wait-time. This policy provides additional partners for our Full Members and extends the season for our Weekday and Off-Peak members. See applicable dates in the Season Schedule.

Guest Policy

Members are welcome to bring guests at the cost of \$60 per day, per guest; \$50 after 12:00pm. Guests have full use of the club for the day or afternoon. Guests must check in at the front desk and must complete and sign a guest registration form prior to playing tennis or participating in any club activities. Each guest is limited to 3 visits per season, after which a membership must be purchased, if available.

NOTE: Weekday Members may not play as guests on weekends or on Friday mornings from June 26th to September 4th, and Off-Peak Members may not play as guests on weekend mornings, except as provided by our Spring/Fall Upgrades policy. All members may participate in lessons, clinics, special events and tournaments.

Court Assignment

Members must receive a court assignment from a staff member before playing. Courts are assigned in person, on a first-come, first-served basis. Once a court assignment is made, members are guaranteed use of their court for 60 minutes for singles play and for 90 minutes for doubles play.

Although every effort is made to provide uninterrupted playing time to members, the club reserves the right to alter court assignments, or hours of play, to facilitate court maintenance and to guarantee the quality of our courts and the safety of our members. In inclement weather, particularly after periods of heavy or extended rain, we ask members to telephone the club, or to **text the help line at (631) 267-1038**, to determine court availability.

"DOUBLES-ONLY" Days: On the busiest days of the season, play is restricted to doubles only between 8:15am and 11:15am. Accordingly, only doubles play will be allowed for starting times between 8:15am to 11:15am on Fridays from June 26th through September 4th, and on Saturday, May 23rd, Sunday, May 24th, Friday, July 3rd, Saturday, July 4th and Sunday, July 5th. The club reserves the right to add Doubles Only Days based on court-usage trends or overcrowding.

Member Information

To safeguard member privacy, we no longer publish a member directory, and we will never share member contact info without first obtaining consent, but we do connect hundreds of members with each other weekly, in support of great tennis games and new friendships. Accordingly, it is essential that we always have the most current contact information for all members, including cell phone and email. Please inform one of our desk staff if any of your contact info changes, or is inaccurate, so that we can make necessary updates.

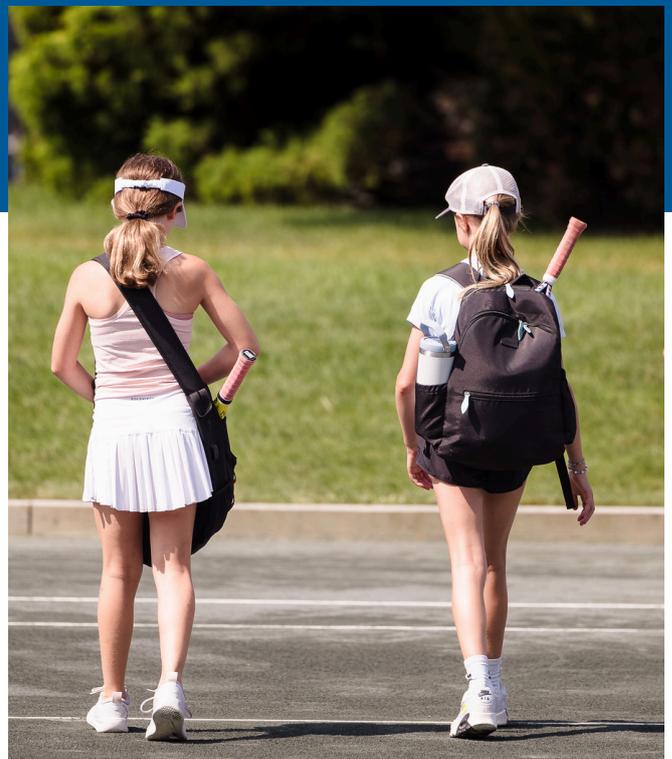

Payment Terms

Personal checks, cash, Mastercard/Visa and American Express are accepted for payment of club membership dues and all other charges. Membership privileges are withheld until memberships are paid in full.

Members in good standing may establish house-charge privileges for any goods and services that the club offers. A current credit card must be on file to establish house-charge privileges. Bills will be sent at the beginning of each month and balances must be paid in full by the end of each month. Members may take advantage of our "autopay" option, whereby balances are automatically charged to a member's credit card each month. Late payment fees, per month, will be assessed on outstanding balances over 30 days:

- \$19 for balances between \$50 to \$100
- \$29 for balances between \$100.01 and \$250
- \$39 for balances greater than \$250

The club reserves the right to restrict playing privileges for members with delinquent accounts.

Programs & Services

Game Arranging

Providing suitable and fun matches for our members is our job #1, and our pleasure. Our goal is to guarantee a great tennis experience every time a member visits the club. We love to introduce members to new partners and friends. Our Virtual Help Desk was established in 2021 and is now the first option for those who want concierge service, in real-time, whenever the club is open. Just text (631) 267-1038 and one of our managers or tennis service specialists will chat with you, with the goal of making your tennis wishes come true each time you text. You can also dial the same helpline number to reach the club by phone.

A wide range of partners is almost always available to play on weekend and summer-season mornings and we are happy to make best efforts to arrange games "on the fly". However, in order to find the best partner/s for members, and to eliminate surprises, we encourage members who would like assistance in finding a partner or a game to contact the club 24 hours in advance, so that we can arrange and confirm a suitable game. Games are confirmed no later than 7:00pm the night before the requested play date. Once members have requested a game, we ask that they respond to related messages and emails promptly and update us if their plans change. If you have not heard from SPORTME by 7:00pm the night before your requested game date, please contact the club. We ask that all members play with a variety of suitable member partners and welcome new members into their circles of partners.

We have a great staff of young "hitters" who are available by reservation at a charge of \$90 per hour. A "hitter" may also be provided, free of charge, based on availability, to fill a doubles game or when the club is unable to find a suitable partner for a member. "Hitters" are expected to be available from Saturday, May 25, through Sunday, August 30.

Club Tournaments

Members who would like to compete against other members in a structured format are encouraged to participate in our club tournaments. Participants must be current members, at least 17 years of age, and must sign up by Monday, June 29, 2026. Draws will be posted by Thursday, July 2. Matches are arranged by the players and take place during the months of July and August, starting Thursday, July 3, and finishing by Labor Day Weekend. Players may enter up to 3 divisions in total. Club employees may not participate in club tournaments (USTA and UTR events are open to

Private Lessons

Lesson appointments may be made at any time throughout the season. Members are given scheduling priority, but are encouraged to book lesson time as far in advance as possible. House charge privileges or current credit card details are required in order to book lessons. Should weather conditions seem questionable, it is a member's responsibility to confirm her/his lesson time, or to confirm that a lesson has been canceled. Members will not be liable for any charges if a lesson is canceled at least 48 hours in advance. If a member does not notify the club of his/her desire to cancel at least 48 hours in advance of a lesson, or if a member is a "no show" for a lesson, s/he will be charged for the total lesson fee. Members are encouraged to arrive at least 10 minutes in advance of their scheduled lesson appointments and must check in at the front desk.

Children's Programs & Services

The club is pleased to provide an inviting atmosphere to families with children and proud to be creating the tennis players of tomorrow. We offer a range of youth tennis camps and clinics to serve all ages and levels (Red Ball, Orange Ball, Green Ball and Yellow Ball - Ages 3-18), across our spring, summer and fall seasons, and highlighted by our John McEnroe Tennis Academy Summer Training program. We are also the home to the best summer day camp in the Hamptons: East Hampton Sports Camp @ SPORTIME, for kids ages 3 - 13.

Children 11 years old, and under, who are not participating in one of our programs, must be accompanied by an adult, or by a caregiver at least 14 years of age, when on club grounds. Junior tennis players, 17 years and under, must be accompanied by 3 adult players in order to play tennis during peak hours, or when adult members are waiting to play.
